

## Profi Patching Make-Ready Sheet

### Art.-No. ZBM1-04

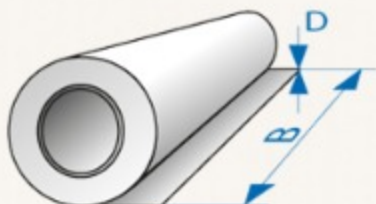

TH = 100 micron  
W = 1040 mm  
L = 50 m

### Art.-No. ZBM1-31

TH = 100 micron  
W = 1310 mm  
L = 50 m

### Profi Patching Make-Ready Sheet ZBM

- high-tensile plastic material
- absolute dimensional stability and tear resistance
- for large-sized jobs of 1-2 million sheets
- moisture-resistant and calibrated
- markable with all systems
- also for the use as drawing film

### Art.-No. ZBT1-04

TH = 100 micron  
W = 1040 mm  
L = 50 m

### Art.-No. ZBT1-13

TH = 100 micron  
W = 1130 mm  
L = 50 m

### Profi Patching Make-Ready Sheet ZBT

- composite material (paper - plastic - paper)
- conditional dimensional stability
- tear resistance
- for medium sized jobs
- markable with all systems
- also for the use as drawing film
